

## **Boca Raton Christian School**

### **Required Summer Reading - Entering Grades 3, 4, and 5 2022-2023**

#### **Dear Parents:**

In order to help ensure that our students are keeping up with reading over the summer, a book assignment will be required. The book may be read aloud or silently, and parents are welcome to read along with their children. A sequencing activity sheet about the book (see next page) will be completed and turned in to your child's teacher in August. In addition, a Reading Counts quiz will be taken upon returning to school.

#### **Assignment:**

1. Read the book.
2. Complete the sequencing graphic organizer about this book to turn in to your teacher.
3. Take a Reading Counts quiz upon returning to school.
