## Intro to Engineering Design

- High quality geometry combo set must include:
- Inch and metric ruler, protractor, 45° and 60° degree triangle and compass
- 1 adult size Fiskars scissors
- 1 large bottle of all-purpose glue
- 1 box mechanical pencils
- 2 black Sharpie markers
- Plastic supply box with your name on it for your scissors, markers, pencils, etc.
- 1 notebook for class notes and research
- 1 graph paper notebook for designs
- In addition to the list, please begin collecting large cardboard boxes. Be sure to flatten them down and only collect boxes that are in good condition (no water damaged, NOT bent or broken cardboard). Boxes should not be purchased. You should be able to find plenty in your garage (or your neighbors ☺ ). Gather as many as you can. We will be using these for one of our first up and coming design projects. If you can find tubular cardboard such as the kind posters that come in, that would be useful as well.

## Public Speaking
