

Boca Raton Christian School 2024-2025 Enrollment Wait Pool

God has blessed Boca Christian with a large pool of prospective students that exceed the number of available seats. Additionally, please note that we are at wait pool status for all FES UA scholarships, IEP, and 504 plans.

As seat availability fluctuates throughout the year, we will take steps to notify families of new openings while maintaining optimal class size and academic excellence.

Wait Pool Process:

- Tour the campus.
- Complete the admissions application process. **To be considered as soon as possible, please submit your application by December 15, 2023. Early submissions will be considered and notified by February 9, 2024.**
- Upon acceptance into a wait pool, confirm your interest by responding to our email within three business days.
- You will receive an email and phone call if a seat opens. Then testing and the interview process will take approximately one week.
- If you are placed on a wait pool but a seat does not open up, BRCS will hold your application and wait pool status for one school year and will give priority enrollment the following school year. An updated teacher recommendation and a current report card/transcript will be required at that time.

Key Deadlines:

December 15 - Early decision application submission deadline

December 16 - Open enrollment begins

February 9 - Admissions communicates early decisions based on December 15 submissions

February 10 on - Admissions communicates all other decisions

May 3 or 17 - First tuition payment due

Please contact the Admissions team at admissions@bocachristian.org for any wait pool questions or needs.

Boca Raton Christian School admits students of any race, color, national, or ethnic origin to all the rights, privileges, programs, and activities generally made available to the students at the school.
