

Dear Parents and Guardians:

We would like to share details on our upcoming **Creation Day Celebration**. On **Friday, April 12th**, we will celebrate and honor the Lord for His creation and showcase how students cared for His creation throughout the year. Students in grades K through 5 will participate in a special Chapel highlighting Serve-a-thon projects, individual classroom projects, Environmental Club accomplishments, and more.

In addition, we will hold a cake contest where students can bake and decorate a cake that features our annual theme and an environmental twist. The 2023-2024 School Theme is Charting God's Course: Seek His Presence. Seek. Listen. Respond. "You will seek me and find me when you seek me with all your heart." *Jeremiah 29:13 (NIV)*

If you are interested in participating in the cake contest, please complete the form below as soon as possible. The cakes must be dropped off in the dining room on **Friday morning, April 12th**. **There are new guidelines for the cakes.** Each cake must be:

- Non-perishable (no need for refrigeration)
- Placed in a disposable container with disposable serving utensils
- Labeled with the child's name and grade (please place the label under the disposable container so that it is not visible during judging)

Judging will be based on the presentation of our school theme, environmental twist, the cake's appearance, and creativity. K-1, 2nd-3rd, and 4th-5th grade students are judged separately based on grade level. Prizes will be awarded for first, second, and third places in each grade category.

BRCS Creation Day Cake Contest - Registration Form *(Please submit as soon as possible)*

Theme: Charting God's Course: Seek His Presence, Jeremiah 29:13 and Environmental Twist

Student's Name _____ Grade _____
PLEASE PRINT

My child and I will bake a cake for the Creation Day Cake Contest. I will bring my cake to the dining room for judging on the morning of Friday, April 12th, 2024
